

# Introduction to

Chemistry

# What is Chemistry?

---

The study of matter

# Matter

---

Anything that has  
**mass** and **takes up**  
**space**

# Is Everything Matter?

---

- No!
- What does not have mass and does not take up space?
  - **Energy**
- So, everything is either **Matter or Energy**

# Assignment

---

- Reply to my posts in the Chat Channel
  - Post one picture of **MATTER**
  - Post one picture of **ENERGY**
